### Caractéristiques

|                               |  |
|-------------------------------|--|
| Numéro d'article              | 06033A470GAT2A                             |
| Fabricant                     | AVX Corporation                            |
| La description                | CAP CER 47PF 25V NP0 0603                  |
| Catégorie                     | Condensateurs > Condensateurs en céramique |
| État de la pièce              | 2674 pcs Stock                             |
| Tension - Nominale            | 25V  |
| Tolérance                     | ±2%  |
| Épaisseur (max)               | 0.035" (0.90mm)                            |
| Coéfficient de température    | C0G, NP0                                   |
| Taille / Dimension            | 0.063" L x 0.032" W (1.60mm x 0.81mm)      |
| Séries                        | -  |
| évaluations                   | -  |
| Emballage                     | Tape & Reel (TR)                           |
| Package / Boîte               | 0603 (1608 Metric)                         |
| Température de fonctionnement | -55°C ~ 125°C                              |
| Type de montage               | Surface Mount, MLCC                        |
| Type fil                      | -  |
| Espacement des fils           | -  |
| Hauteur - Installé (max)      | -  |
| Caractéristiques              | -  |
| Taux d'échec                  | -  |
| Capacitance                   | 47pF                                       |
| Applications                  | General Purpose                            |
